

The eMPF Platform Company Limited (eMPF Company) is a wholly owned subsidiary of the Mandatory Provident Fund Schemes Authority (MPFA) responsible for building and operating the eMPF Platform (eMPF). The eMPF Platform is a major public utility which aims to standardize, streamline and automate the existing MPF scheme administration processes. It is the most significant reform of the MPF System since its introduction in December 2000.

For background and details of the eMPF Platform, please go to our website <https://www.empf.org.hk>

We are looking for high calibre and passionate individuals to join us to undertake this transformation initiative that is leading the MPF ecosystem to a new era and is creating a positive impact on the working population of Hong Kong.
